Are you dreaming of a beautiful Santa Barbara home with city and ocean views? Here's your chance to win that dream house, and support Museum of Contemporary Art Santa Barbara (MCASB) at the same time!

The MCASB Dream Home Raffle has been the primary fundraiser for the Museum of Contemporary Art for over a decade. This entrepreneurial way to fundraise has been a successful way to bring free arts programming, world-class exhibitions, and contemporary art to the Central Coast.

This year, the grand prize is a 4000+ square foot home that sits on three acres and has three bedrooms, three bathrooms, and a separate studio unit with an office. From city lights to the Pacific coastline to the Channel Islands, the MCASB Dream Home offers a luxurious way to experience the best of Santa Barbara. In addition, more than 2,500 prizes are available throughout the raffle, offering participants a 1 in 20 chance to win.
