Delays to Ty Warner's Sandpiper Golf Club Renovation Project Could Force Closure Your Community Support is Needed

The Sandpiper renovation project has been entangled in delays by the City of Goleta planning process for over four years. A notice of preparation (NOP) for the EIR is finally scheduled to be released this month, and a public meeting is scheduled to be held at City Hall on January 15th, 2025. City of Goleta and Coastal Commission review of the Project is anticipated in early 2025.

The renovation is projected to cost \$130 million, and first went before the City's Design Review Board on December 8, 2020, where it received positive comments.

A formal application with plans and reports were submitted to the City in November 2021. Over two years later, the application was still not deemed complete by the City.

In January 2024, the City requested the applicant pay nearly \$500,000 to have an environmental impact report (EIR) conducted by a City-approved independent consultant, to which the applicant agreed.

However, due to delays and the slow planning process and after spending over \$3 million to date on architects, plans, environmental reports and consultants, Sandpiper Golf Trust, an entity owned by Ty Warner, faced the possibility it would be forced to close the golf course.

"It is unfortunate that these delays have caused us to consider the closure of the golf course" stated Ty Warner. "Considering the commitment and investment we have already made to the project, we expect the process to be expedited moving forward to avoid this outcome."

Our goal is to move the approval process forward for the Sandpiper/Barnsdall renovation project, with commitment from the City of Goleta and Ty Warner.

Ty Warner is committed to **paying all expenses associated with the project at zero cost to the taxpayers**, including contributing private funds to the City of Goleta to enhance the Sperling Preserve, create a new preserve at Bell Canyon Creek and improve coastal access.

In addition, the following improvements are included in the project plan:

- Restoration of the Historic **Barnsdall gas station** and the addition of a new Rio Grande Café with public parking and a crosswalk across Hollister Ave.
- **Burying all utility lines along Hollister underground**
- Dedication of five acres west of Bell Canyon Creek to create a natural public open space and preservation of native habitat
- Providing a coastal access trail by extending the DeAnza trail along Hollister
- Dedication of public beach access below the bluffs
- Restoration and improvement of creek and **Monarch butterfly habitat**
- Improvement of storm water quality and drainage
- Construction of a sculptural clubhouse, seamlessly blending land, sea, and sky into infinity, featuring three restaurants, two open-airbars, and a sunset terrace and lounge with unobstructed views of the ocean and Channel Islands; and
- Creation of a world-class oceanfront top-50 golf course by award-winning golf course designer Tom Doak who has designed courses worldwide.
- **Continued commitment to reduced golf rates for local residents**

Ty Warner would like to move forward with the City of Goleta in mutual cooperation and commitment in expediting this process for full community benefit, **to break ground no later than the end of 2025**.

Please contact the City representatives to **let them know you support this project and ask they act as quickly as possible**. Their contacts are:

SWINGING INTO THE HOLIDAYS

Since a lot of our team works remotely, it's not easy to get the entire *Indy* staff together. But during the holiday season, we get a few fun chances to bring our editorial team and our business staff together to celebrate. We listen to our community's heartwarming stories together at our Local Heroes luncheon; catch up with our friends, families, and colleagues in town at our holiday party; and end our celebrations with a staff-only get-together.

This year, the *Indy* staff filled up the Golf Lounge inside of the new Validation Ale location on De la Vina. We played some classic golf, worked on our backswings, and tried to keep our shots on par. We also played some fun games with the *Indy* kids like pirate bowling, and some fun versions of mini-golf (which featured tricks like a lava pit and sticky green goo).

And we got to enjoy some delicious food before we staked out under the Christmas tree to share our holiday cheer. With presents, laughs, and games, we enjoyed some quality time together before the year ends, and we hope you're able to do the same.

*From our team to you,
 Happy Holidays!*

FINALLY: Santa Barbara residents showed up to greet the grand opening of downtown's new library plaza — spacious, open, and inviting — 15 years and more than \$9 million in the making.

SHOW MUST GO ON: After 47 years, the lights went out at the Fiesta 5 movie theater after Metropolitan Theatres declared bankruptcy and its landlord, City Hall, pulled the plug. Filling its place, the Santa Barbara International Film Festival promises to install state-of-the-art seating, sound systems, and a seven-bean salad of multi-faceted programming.

RYAN P. CRUZ

BOOK 'EM, DANNO: For 30 years, city cops and administrators have bemoaned how inadequate the current police station — built in 1959 — is. This year, City Hall broke ground on a new police station located in the city parking lot by Cota and Anacapa streets. If all goes according to schedule, it should open some time in 2027 and won't cost a dime more than \$121 million.

YEAR IN PHOTOS

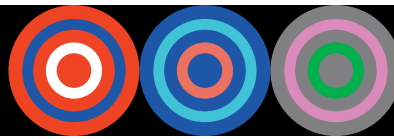

THE IMPOSSIBLE DREAM: For decades, everyone agreed downtown S.B. needed a day center for its homeless people. For just as long, people were told this could not be done. This year, the impossible happened with the opening of the FARO Center located on lower Chapala Street.

NO, THANKS: Not everyone wants to see the ceremonial scissoring or shovels show up. Here, residents of Carpinteria show up to oppose a major development project proposed for the Carpinteria Bluffs, hallowed ground to residents of this seaside town.

HONK IF YOU NEED A PAY HIKE: Bad blood between teachers and Santa Barbara Unified School District administrators boiled over on a regular basis this past year over wages, the aftershocks of COVID, and an unprecedented level of generalized distrust. Teacher Jen Griffith (above), part of one of many protests, has since left town.

BAD TO WORSE: When war broke out in Gaza again, UCSB students did not sit quietly by but took to sustained outdoor camps to protest the high death toll exacted by the Israeli military on Gaza's civilian population.

SLAMMED, JAMMED, AND CRAMMED: Mother Nature shows she doesn't care a lick about UCSB housing shortages or Isla Vista landlord profit margins as erosion continues to do what erosion will continue to do.

SMOKE GETS IN YOUR EYES: Before this summer's Lake Fire was contained, about 38,000 acres of the Santa Ynez Valley went up in smoke.

LUKE STIMSON

GOOD LAND: What used to be a sketchy Super 8 Motel by Hollister and Fairview got magically transformed into 60 units of permanent affordable housing — with onsite supervision, security, and wrap-around services — for people who were chronically homeless.

Edward Floyd Eubanks

3/15/1922 - 5/31/24

Ed Eubanks died on May 31 at his home in Santa Barbara, CA. He said that the 30 years he lived there were the best in his life. He was a successful newspaper reporter, public relations executive, and entrepreneur. He was born and raised in Pasadena. He graduated from Dartmouth College after a tour in the Pacific with the U.S. Navy during World War II. He married Suzanne Cristy, the love of his life, in 1946, and they had three children, Ellen, Laura, and David.

Ed and Suzanne moved to Santa Barbara in 1992. Together they traveled the world, and they enjoyed collecting art and parties and the Santa Barbara symphony. Ed's passion in retirement was painting and creating lithographs. He was preceded in death by Suzanne and their daughter Laura. He is survived by his children, Ellen and David, and David's wife Zubeda.

Allison Ann Woolsey

8/2/1956 - 10/24/2024

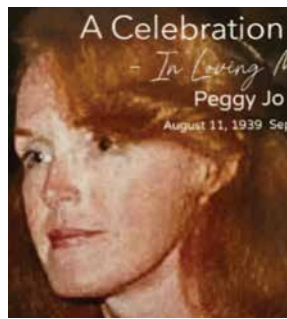

Allison passed away at her home in Oakland after a prolonged battle with cancer. She died peacefully with her loyal poodle, Stella, at her side. She is survived by family across California and remembered with love by friends in Bellevue and Orcas Island, WA, where she spent her childhood, and in Santa Barbara, where she moved in her early teens and attended La Colina Junior High and San Marcos High School. After graduation, she studied at Santa Barbara City College where her primary coursework was in natural history and the

sciences. Allison moved to Oakland in 1990 and spent her adult life working at Oracle and Salesforce. She was known professionally for her strong work ethic and optimism. She adopted a cat, Cashmere, and later a standard poodle, Stella, who were her close companions.

Allison will be remembered for her love of nature and her passion for community service. She spoke French and travelled widely. She was fiercely independent, creative, and curious. At her request, there will be no public service. Donations in Allison's honor can be made to the Santa Barbara City College Foundation.

Peggy Jo Willis-Martin

8/11/1939 - 9/9/2024

Peg would never want others to make a fuss over her. She'd prefer a celebration of her life be without fanfare. She would want it to be determined by the celebrants. Creativity was her mainstay.

After her graduation as valedictorian, class of 1957, Auxvasse High School, Auxvasse, MO, Peg enrolled at Northeast Missouri State University (now Truman State University) at Kirksville, MO.

In the summer of 1961, after fulfilling her first teaching contract at Ballwin Elementary, west of St. Louis, she returned to her alma mater to receive a Bachelor of Science in Education degree and contracted to teach in the Harlem Elementary School District many miles away in a suburb of Rockford, Illinois.

In 1962 Peggy Jo Willis and Eldon Wayne "Marty" Martin were married in

Loves Park, IL. At the end of that school year they returned to their alma mater and enrolled for the 1963 summer session.

That summer, their first daughter, Deidre Lynn was born, Marty received his Master of Arts Degree and agreed (via phone) to teach in the Central Union School District in Lemoore, CA where, the following summer Melina Anne was born at Hanford hospital.

Four years later, husband Marty signed a contract to teach at Franklin Elementary School in Santa Barbara and the very happy Martin family departed the San Joaquin Valley for the California coast where the girls matured and branched out socially.

Peg took a position as Executive Director of the Tri-Counties Multiple Sclerosis Society. Her masterful leadership grew MS coffers from thousands of dollars, to hundreds of thousands. By applying her dedication to purpose and organizing skills her MS chapter participated in fundraiser after fundraiser; such as Bachelor and Bachelorette Auctions, Ugly Bar Tender Competitions, Bike Tours, Tennis Tournaments, Elementary School Read-A-Thons and the Taste Of The Town events. She also augmented MS coffers by bringing in charitable donations from community leaders and local businesses. Her family lovingly volunteered to help.

Peg loved being a courthouse docent. She enrolled in adult education classes to learn more about writers like Proust and James. She mastered book binding and made beautiful calligraphy productions as a result of attending adult education classes.

Peg was an exceptionally smart, loving, dedicated mother and wife who excelled at doing her best to make life for others a little bit better. She loved her family, her cats and her flower garden. Peg is truly loved and will be missed for a very long while.

Peg is survived by husband Eldon Wayne "Marty" Martin, daughter Melina Anne Boscutti (Tom), granddaughter, Catrina Boscutti-Flores (Jack), great granddaughter Stella Flores, step great granddaughter Aaliyah Flores, grandson Jeffrey Boscutti (Sophyia), grandson Maxwell Boscutti (Ashley), great granddaughter Isabella Boscutti, great grandson Maxwell Boscutti, great granddaughter Lillianna Boscutti.

Peg's first daughter Deidre, preceded her in death.

Jerry Hargis

5/27/1957 - 10/23/2024

Jerry Hargis, beloved husband, father, grandfather, brother, uncle, and friend, passed away peacefully after a courageous battle with cancer on October 23, 2024.

Born on May 27, 1957, in Santa Barbara, California, to Dan and Wanda Hargis, Jerry brought light and joy to those who knew him.

From a young age, Jerry developed a deep love for aviation, which would become his lifelong passion. He graduated from Dos Pueblos High School, where he was an active member of the marching band and water polo team and had the honor of marching in the Washington, D.C. Cherry Blossom Parade. Jerry pursued his love of flying at San Jose State University, graduating in 1980 with a degree in Aviation. Jerry began his career as a pilot flying various aircraft, including the 727, 737, DC-3, and DC-6, across Alaska, Hawaii, and the western United States. In 1987, he joined America West Airlines and settled in Chandler, Arizona, where he would remain for the next 34 years.

He built an impressive

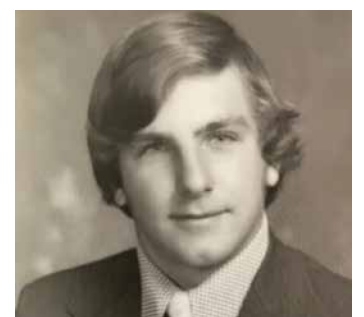

career, flying the 737 and Airbus 320, and retired as a Captain on the 777 in May of 2022.

In 1996, Jerry met the love of his life, Evelyn. They married in 1997, and he gained three children—David, Chris, and Diana—who he cherished as his own. Together, Jerry and Evelyn welcomed their son Garrett in 1998, completing their family. Jerry adored his family and was a devoted husband, father, and grandfather. A passionate aviation enthusiast and avid sports fan, Jerry attended the 2001 Diamondbacks World Series, the 2021 Suns Championship, and Super Bowl XLIII, all alongside his son Garrett.

Known for his talent at the grill, Jerry loved to barbecue and bring friends and family together over good food and laughter. He was an active member of his community, coaching peewee football and sharing his love for the sport with young athletes. In 2022, Jerry and Evelyn retired to Payson, Arizona, where they embraced a quieter life in the beauty of the forest. Despite his diagnosis of stage 4 cancer in 2023, Jerry continued to live his life fully and fought bravely until the end.

He is survived by his beloved wife, Evelyn; his brother, Jeff; his children; Garrett, David, Chris, and Diana; his niece, Lynette; and his grandchildren, Keythin, Keyairra, Keylei, Kyler, Keyndal, and Maya. Jerry is reunited with his parents, Dan and Wanda, and his brother, Joel.

Jerry will be deeply missed by all who knew him, but his legacy of kindness, adventure, and love for life will forever remain in our hearts.

Blanche (Dominguez) Heitkamp
5/8/1934 - 11/13/2024

Mom left us on Nov. 13, 2024, her love of family, friends and new adventures leaves us with many joyful stories and fond memories which we will cherish. Mom, we miss you and love you forever.

Blanche Margaret Heitkamp was born May 8, 1934, in Los Angeles, California to Guadalupe and Francisco Dominguez. After graduating from Garfield High School, a year at East LA City College led her to the love of her life Douglas Oakley Heitkamp. They married June 1957 with a honeymoon in Santa Barbara, moving to El Segundo to raise their three children Douglas Jr., Heidi and Frank.

Mom was very active in the El Segundo community. She felt strongly about giving back and served several terms as president of the El Segundo Women's Club and as president of the Parent Teacher Association. She volunteered at the library, at community events and was active with her church. Devoted in her faith, she had a lifelong commitment to bible study and fellowship.

Mom never met a stranger, only future friends. She had a gift for conversation, making and maintaining life-long friendships. Gifted at handwork, she loved her knitting groups, likely more for the friendships than for the knitting. She loved daily walks around El Segundo and the strand of El Porto Beach, always with friends and always extending invitations for coffee and a cookie.

Mom had an innate inquisitive nature which she fed through her connection with people, travel, and as an avid reader. Most importantly, she had address books full of dear friends, always

just a phone call away.

Though raised a city girl, Mom enjoyed the camping adventures Dad planned, sparking a love for the outdoors in her kids. Once the kids were out of the house Doug and Blanche traveled in their motor-home including; a three-month journey circumnavigating Mexico; frequently crisscrossing the USA, and on several trips to Alaska.

What they loved most were the road trips to visit Doug Jr. and family in Colorado; Frank and family in Massachusetts and Heidi and family in California.

After Dad's passing in 2014, Mom and Heidi traveled to Spain and enjoyed a Rhine River Cruise — both were dream trips she and Dad were never able to take together.

In 2019 Mom relocated to Santa Barbara, the place of her honeymoon and near the home of Heidi and family and quickly immersed herself in life at the Samarkand Covenant community, making new friends, joining a prayer group and a knitting circle, volunteering in the gift shop, library and service groups, just as she had done all her life. She found a new church community and was very grateful for all the new friendships she made.

She loved living near the ocean and mountains, always up for a picnic or hike. We all felt lucky to have her living close to family.

Blanche is survived by son Frank (Karen) Heitkamp; daughter Heidi Heitkamp (Andreas Hampp); daughter-in-law Michelle Harrison; eight grandchildren; Emily (Alex) Kinney, Andrew (Patricia) Heitkamp, Nick Heitkamp, Oliver (Shannon) Heitkamp, Erin Heitkamp, Isabel Heitkamp, Luke Heitkamp, Sophia Hampp (Agustin) Gaspardis, Franz Hampp; and four great-grandchildren; Colton, Owen, Douglas III and Caroline.

Norma Ann Kruth Eggli
3/20/1958 - 11/15/2024

Norma Ann Kruth Eggli was born in Ukiah, California on March 20, 1958 to Alfred and Annette Kruth (Lofgren). On November 15, 2024, she left this world for a better place. She was always strongly committed to her Christian faith, and now she is at home with her savior, Jesus Christ.

From her earliest days Norma exhibited a talent for teaching, becoming a tutor during her high school years. After high school, Norma attended Mendocino College in Ukiah, and then enrolled at Westmont College in Santa Barbara, where she graduated with a Bachelor's in Math and Science. In the summer of 1981, she married Paul Eggli, of Santa Barbara, and enrolled at Biola University where she earned a teaching credential in secondary education. Beginning in 1983, their quiver began to be filled with the arrival of Benjamin, then Peter, then Ruth, and lastly Hannah.

Beginning in 1995, Norma homeschooled her children through high school and was actively involved in the Santa Barbara Homesteaders. She was an excellent wife and mother, caring for her family as well as a number of "bonus" kids God placed in her life.

In 1992 she began teaching for Santa Barbara City College Continuing Education. She taught a myriad of computer and technology subjects, but her favorite to teach was genealogy. She also supported the work of the college significantly behind the scenes. Her contribu-

tion was remembered by the president of the college noting that "beyond the classroom, Norma's contributions to SBCC were equally remarkable...she played an essential role in shaping curriculum and fostering student success."

In the early 2000's, Norma got bit hard by the genealogy bug. Norma's crowning achievement was proving two lines of lineage on her mother's side back to the pilgrims who arrived on the Mayflower, thus earning her membership in the Mayflower Society. She remained an active member of the Santa Barbara County Genealogical Society for many years.

Norma was also active in church her entire life. She was always engaged in ministry, and her duties included cleaning the facilities, teaching Sunday School, singing in the choir, serving as an Awana leader, and serving on the oversight committee. She was the church Hospitality Coordinator for many years, coordinating meals, hosting receptions, and supplying table linens and decorations for weddings and other social gatherings.

Norma maintained close bonds with her parents, siblings, children and their families throughout the years. She cherished being a grandmother and enjoyed hosting family gatherings. She is survived by her husband, Paul Eggli; four children: Benjamin and Chelsea Eggli, Peter and Michelle Eggli, Ruth Eggli Calzada and Juan Carlos Calzada, and Hannah Eggli; four grandchildren; and her four siblings: Maurice Kruth, Raymond Kruth, Warren Kruth and Andrea MacMillan. She will be greatly missed.

A service celebrating her life will be held at Community Covenant Church of Goleta on Saturday, January 4th, 2025 at 1pm. A second service will also be held at the Santa Barbara City College, Wake Campus, on Friday, January 31st at 12pm. In lieu of flowers, memorial contributions may be made to the Hospitality Ministry at Community Covenant Church of Goleta.

AHHHH: Sometimes when the heavens speak, you just have to shut up and listen, as with this year's otherworldly aurora borealis display.

YEAR IN PHOTOS

INGRID BOSTROM PHOTOS

FRESH FACE: First-time candidate and challenger Wendy Santamaria (above) took on incumbent lifetime Eastside resident Alejandra Gutierrez and won with a campaign built around shoe leather, door-knocking, and rent control, rent control, rent control.

SOMETHING SMELLY THIS WAY COMES: Carpinteria Councilmember Roy Lee (above) scored the upset of the decade, upending the 20-year political career of incumbent 1st District Supervisor Das Williams, whose strong support for the cannabis industry, and its attendant odor issues, cost him big-time with hometown voters in Carpinteria.

VIDI, VIDI, VICI: Democratic Vice Presidential candidate Tim Walz wowed the local Dems at a Montecito fundraiser with his down-home, common-sense, kinder brand of masculinity, but it was all for naught as Donald Trump and his running mate JD Vance cleaned the tables on election night.

LUKE STIMSON

NEW DIGS: When the farmers' market moved from its old digs by Cota and Anacapa streets to make way for the new police station, there was much anticipatory gnashing of teeth. But by all reckoning, the new location at State and Carrillo streets has been nothing less than a smashing success.

Year in Review: 2024

My foodie duties for the year wouldn't be complete without summarizing activity at food and drink destinations on the South Coast: There were 48 openings of food and drink destinations, while 30 locations closed.

THE PEA SOUP ANDERSEN'S EXPLOSION: The Restaurant Guy column has been online at SantaBarbara.com for decades, with readership interest varying from story to story. The average story receives 3,000-5,000 views, while really huge food news might be read 50,000 times. On January 9, 2024, I broke the news that Pea Soup Andersen's had closed after 100 years in business, which unleashed reader traffic this column has never seen before. Local media picked it up first, followed by the Associated Press, after which it went viral. As of this writing, the blockbuster from Buellton has been read 9.8 million times and counting. The property was purchased in 2023, and plans are to reopen the eatery in the future after extensive renovation.

FALLEN ICONS: We lost four long-time restaurants in 2024 that had each been open more than 25 years, including Pea Soup Andersen's (100 years), Derf's (47 years), Via Vai (30 years), and Stella Mare's (29 years, closing December 31).

RESTAURANT OPENINGS: December: Clark's Oyster Bar, Finney's Craft-house & Kitchen, J's Hot Chicken inside Dave's Drip House, RH Fire-house Grill. November: Bar Lou, Validation Ale, Wingstop. October: Cuso's Creamery, Happy Cat Eats, Lama Dog Tap Room, Namaste Indian Bistro, Sama Sama Kitchen, SloDoCo Donuts. September: Alma Fonda Fina, The Harbor Restaurant (reopened), La Cantina, Santa Playa Mariscos. August: Arnoldi's Café (reopened), ETTY's Jewish Deli & Bakery, Teddy Rice. July: Pang Zi Noodle Shop, Poke House, Seven Bar & Kitchen, White

Caps Beach Club. June: Antojitos La Paloma, Bibi Ji (reopened), Little Bird Kitchen, Santa Barbara Courthouse Distillery and Events, Jonesy's Fried Chicken, Wexler's Deli. May: Crepería El Chisme, Little Alex's, The Oyster Bar inside Moby Dick. April: Dart Coffee, Ethnic Breads, Nick the Greek, Oat Bakery, Petra Café, Shalhoob's. March: Indian Tandoori Kingdom, Lighthouse Coffee, Starbucks (120 State St.), Yetz's Bagels. February: Best BBQ, Cookie Plug, Lilac Pâtisserie, Silvers Omakase, Yummy Thai. January: Bruxie, Oakberry

RESTAURANT CLOSINGS: December: Stella Mare's (Dec. 31). November: Pickles & Swiss (Paseo Nuevo), Wexler's Deli. October: Green Table, Sweetie's Ice Cream Shop. September: White Caps, Yona Redz (moving). August: Pueblo Pollo, Rosarito. July: Mesa Verde, Recipes Bakery, Pickles & Swiss (Goleta), Old Town Coffee. June: Coast & Olive, Derf's, Pizza Mizza. May: Jamba Juice, Social Eats, Trattoria Vittoria. April: Foxtail Kitchen, Oliver's, Shalhoob's at the Market, Via Vai Trattoria & Pizzeria. March: Dank Bowl Kitchen. February: Taza Mediterranean Street Kitchen. January: Coffee Bean & Tea Leaf (Goleta), Coffee Bean & Tea Leaf (S.B. Airport), Metropulos Fine Foods Merchant, Pea Soup Andersen's, Rockfire Grill

MOST READ STORIES: Based on the analytics from The Restaurant Guy blog at SantaBarbara.com, here are the top 10 most-read food news stories of the year, in descending order, starting with number one: (1) "Pea Soup Andersen's Closes in Buellton"; (2) "The Palace Grill to Close in September"; (3) "Who's Serving Thanksgiving in 2024?"; (4) "Arnoldi's Café Closes After 87 Years"; (5) "The Nugget Is Coming to Carpinteria"; (6) "Costco Food Court Changes"; (7) "Trattoria Vittoria to Close"; (8) "Oliver's to Close"; (9) "Goleta Finney's Update"; (10) and "Palace Grill to Remain Open Through the Holidays."

John Dickson's reporting can be found every day online at SantaBarbara.com. Send tips to info@SantaBarbara.com.

FREE WILL ASTROLOGY by Rob Breszny

WEEK OF DECEMBER 26

ARIES ♈

(Mar. 21-Apr. 19): In 2025, I would love for you to specialize in making new connections and deepening your existing connections. I hope you will summon extra creativity and panache as you regularly blend your beautiful energies with others' beautiful energies. I predict you will thrive on linking elements that should be linked but have never been before. What do you think, Aries? Does it sound fun to become a playful master of mixing and combining? Would you enjoy generating splashy unifications that serve your dreams?

TAURUS ♉

(Apr. 20-May 20): "Confidence is 10 percent hard work and 90 percent delusion," declared Taurus comedian Tina Fey. But I believe you will disprove that assessment in the coming months. The work you do will be unusually replete with grace and dynamism. It will be focused and diligent work, yes, but more importantly, it will be smart work that's largely free of delusion. That's why I'm inclined to revise Fey's formula for your sake. In 2025, your brimming levels of confidence will be primarily due to your fine, conscientious, effective work.

GEMINI ♊

(May 21-June 20): In the 1960s, a Swedish journalist tried an experiment. He wanted to see if art critics could distinguish between abstract paintings made by skilled artists and those created by a 4-year-old chimpanzee whose pseudonym was Pierre Brassau. Surprise! Many of the critics treated all the paintings with equal respect. One even gave special praise to Pierre Brassau, describing his strokes of color as having "the delicacy of a ballet dancer." I'm authorizing you to unleash your inner Pierre Brassau in the coming months, Gemini. Be an innocent rookie, a newcomer with great instincts, an exuberant amateur who specializes in fun experiments. Do you know what beginner's mind is? You approach every experience with zero assumptions or expectations, as if you were seeing everything for the first time. For more, read this: [wikipedia.org/wiki/Shoshin](https://www.wikipedia.org/wiki/Shoshin).

CANCER ♋

(June 21-July 22): Ohio's Cuyahoga River used to catch on fire regularly. The cause was pollution. For a hundred years, industries had poured their wastes into the waterway. The surface was often dotted with oil slicks. But after a notorious river fire in 1969, the locals decided to remedy the situation, aided by the newly established Environmental Protection Agency. Today, the Cuyahoga still isn't 100 percent clean, but it's far better. It hosts kayaking, fishing, and paddle boarding. I propose we use its rehabilitation as a symbol for you in 2025. You will have welcome opportunities to clean up messes that have lingered for far too long. Please take full advantage of these cosmic invitations to sweep karmic debris out of your life.

LEO ♌

(July 23-Aug. 22): Steve Jobs, founder of Apple computers, said, "The people who are crazy enough to think they can change the world are the ones who do." I propose that you make this one of your mottoes in 2025. More than ever before, you will have exceptional power to transform the environments you share with others. You will have an enhanced ability to revise and reinvigorate the systems and the rules you use. Don't underestimate your influence during the coming months, Leo. Assume that people will be listening especially closely to your ideas and extra receptive to be affected by you.

VIRGO ♍

(Aug. 23-Sept. 22): I will give you four related terms to describe your key motif in 2025: (1) Your Soul's Code. (2) Your Master Plan. (3) Your Destiny's Blueprint. (4) Your Mission Statement. All four are rooted in this epic question: What is your overarching purpose here on Earth, and how are you fulfilling it? The coming months will be a time when you can make dramatic progress in formulating vivid, detailed visions of the life you want to live. You can also undertake robust action steps to make those visions more of a practical reality. I encourage you to write your

big-picture, long-range dreams in a special notebook or a file on your tech device. Keep adding to the text throughout the coming months.

LIBRA ♎

(Sept. 23-Oct. 22): People in India were the first to discover diamonds buried in the earth. Most historians believe it happened in the 4th century BCE. For the next two millennia, India remained the only source of diamonds. Finally, new stashes were found in Brazil in 1725 and in South Africa in the 1870s. Let's use this 2,000-year gap as a metaphor for your life. I suspect that far too many months have passed since you have located a fresh source of a certain treasure or bounty you crave. That will change in 2025. Here come long-delayed blessings!

SCORPIO ♏

(Oct. 23-Nov. 21): In my vision of your life in 2025, you will dramatically enhance how togetherness works for you. Below are four questions to help guide your explorations and breakthroughs. (1) Is it feasible to change yourself in ways that enable you to have a more satisfying relationship with romantic love? (2) Will you include your intimate relationships as an essential part of your spiritual path — and vice versa? (3) What work on yourself can you do to heal your old wounds and thereby make yourself a better partner and collaborator? (4) Can you help your best allies to heal their wounds and thereby become better partners and collaborators?

SAGITTARIUS ♐

(Nov. 22-Dec. 21): In Japanese, the word for "frog" sounds similar to the word meaning "to return." That's one reason frogs have been lucky in some circles of Japanese culture. They symbolize the blessing that occurs when travelers return home safely, or when health is restored, or when spent money is replenished. I bring this to your attention, Sagittarius, because I suspect 2025 will be a time when satisfying and enjoyable returns will be a key theme. Consider keeping the likeness of a lovable frog in your living space.

CAPRICORN ♑

(Dec. 22-Jan. 19): Since 1985, musician David Gilmour has led Pink Floyd. The band has sold more than 250 million records. He's in the Rock & Roll Hall of Fame in both the U.K. and the U.S. But my favorite thing about Gilmour is that he's a passionate activist who has crusaded for animal rights, environmentalism, poverty, and human rights. A few years ago, he auctioned off 120 of his guitars, raising more than \$21 million for an environmentalist charity. In accordance with astrological omens, I propose we make him one of your inspirational role models in 2025, Capricorn. May he mobilize you to use your stature and clout to perform an array of good works that are of service to your world.

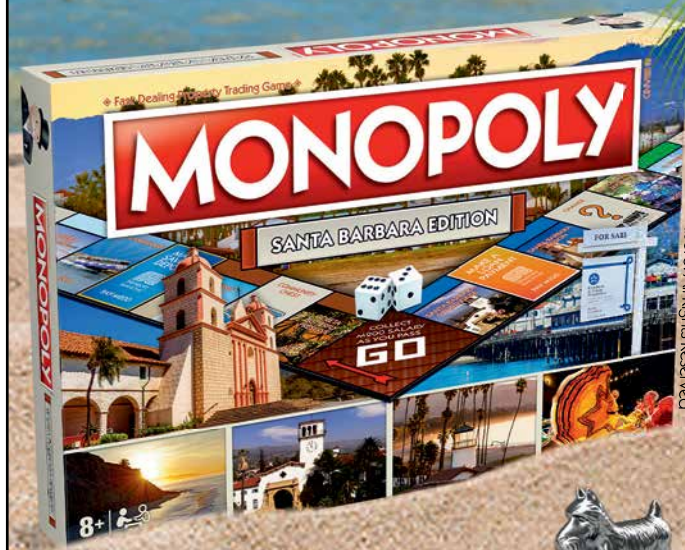

AQUARIUS ♒

(Jan. 20-Feb. 18): Aquarian author Virginia Woolf extolled the virtues of cultivating a supple soul that thrives on change. She pledged to be relentless in her commitment to be authentically herself and not succumb to groupthink. I recommend you make these two of your featured themes in 2025. To inspire your efforts, I will quote her radical perspective at length: "Movement and change are the essence of our being; rigidity is death; conformity is death: let us say what comes into our heads, repeat ourselves, contradict ourselves, fling out the wildest nonsense, and follow the most fantastic fancies without caring what the world does or thinks or says."

PISCES ♓

(Feb. 19-Mar. 20): In 1992, two friends promised each other that if either of them ever won the lottery, they would share it with the other. Twenty-eight years later, that's exactly what happened. In 2020, Thomas Cook bought a ticket that turned out to be the winner of the Powerhouse jackpot in Wisconsin. He called Joseph Feeney with the good news. After paying taxes, both men were \$5.7 million richer. I am not predicting the exact same sequence for your future, Pisces. But like Cook and Feeney, I expect you will glean pleasing rewards generated from seeds planted in the past.

Third, you must submit a bid so that the trustee receives it no more than 45 days after the trustee's sale. If you think you may qualify as an "eligible tenant buyer" or "eligible bidder," you should consider contacting an attorney or appropriate real estate professional immediately for advice regarding this potential right to purchase. **NOTICE TO PERSPECTIVE OWNER-OCCUPANT:** Any perspective owner-occupant as defined in Section 2924m of the California Civil Code who is the last and highest bidder at the trustee's sale shall provide the required affidavit or declaration of eligibility to the auctioneer at the trustee's sale or shall have it delivered to PEAK FORECLOSURE SERVICES, INC. by 5:00 PM on the next business day following the trustee's sale at the address set forth above. PURPOSE OF THIS NOTICE AND SCOPING MEETING: This Notice of Preparation (NOP) is being issued by the City of Goleta for the above-referenced project located in the City of Goleta proposed by Sandpiper Golf Trust, LLC. The site is located in the Coastal Zone and has a land use and zoning designation of Open Space/Active Recreation (OS/AR). The purpose of the NOP is to advise the public and Responsible Agencies that a Draft Environmental Impact Report (DEIR) is being prepared to study the environmental impacts of the above-referenced project and to an opportunity for comment on the anticipated range of issues to be studied within the DEIR.

The City is the Lead Agency for the project and has determined that a DEIR in accordance with the requirements of the California Environmental Quality Act (CEQA) and the CEQA implementation guidelines will be prepared for the above-referenced project. The City is seeking input on the scope of the topics to be addressed within the DEIR. Further, the City has chosen not to prepare an Initial Study but to proceed directly with the preparation of the DEIR. The topics to be analyzed within the DEIR are outlined in Section below entitled "DEIR Scope Of Analysis". This NOP is being circulated pursuant to California Public Resources Code section 211153(a) and section 15082 (b) of Title 14 of the California Code of Regulations ("CEQA Guidelines"), is being provided for at least thirty (30) days, and will serve as the baseline for environmental analysis. The NOP period is expected to commence on December 26, 2024, and will conclude on January 27, 2025.

In addition, an in-person and virtual scoping meeting will be conducted by the Environmental Hearing Officer (EHO) on January 15, 2025, at Goleta City Hall located at 130 Cremona Drive, Goleta Ca 93117 at 5 pm as indicated in the below Section entitled "Environmental Hearing Officer (EHO) Meeting".

PROJECT DESCRIPTION

Generally, the project involves: 1) the demolition of an existing 9,305 square foot (sf) clubhouse and restaurant and parking lot and replacing it with a new, 37,179 sf, three-level clubhouse and restaurant (2 stories above ground and basement). The restaurant would provide 95 seats indoors and 138 seats on an outdoor dining terrace, an increase of 101 seats compared to the existing restaurant. The club house restaurant would be open to the public for dining and events; 2) modifications to and routing enhancements of the existing 18-hole golf course, including replacing the existing golf course turf with drought tolerant landscaping design (reduction of approximately 50 percent of irrigated turf); 3) landscaping and irrigation improvements; 4) demolition, repair, upgrade, and/or modernization of the existing maintenance buildings, trailers, and sheds. This includes replacing the existing 7,555 sf maintenance facility with a slightly smaller 7,476 sf maintenance facility consisting of two structures; 5) replacement of an existing comfort station; 6) construction of a 695 sf café adjacent to the existing historic Barnsdall Rio Grande Gas Station; 7) adaptive reuse and restoration of the historic Barnsdall Rio Grande Gas Station to provide seating and bicycle amenities for the Rio Grande Coffee Shop; 8) restoring portions of Devereaux Creek to its natural condition and flow; 9) undergrounding the existing overhead powerlines adjacent to Hollister Avenue; 10) making trail and landscape improvements along the site's Hollister Avenue frontage; 11) making several coastal access improvements including easements/dedications along Sandpiper's beach and roadway frontages; 12) dedicating a portion of Bell Canyon as a conservation easement; 13) updating the General Plan Figure 4-1 regarding environmental sensitive habitat based on a site specific habitat assessment; 14) requesting a Sphere of Influence change for Goleta West Sanitation District (SWSD) to connect some facilities to GWSD system; and 15) requesting the City to vacate 22,007 sf of Right-of-Way along a portion of the site's frontage for continued use as golf course private parking lot pursuant to sections 8300 et. seq of the Streets and Highways Code.

The majority of the new clubhouse would not exceed the OS/AR Zone's 25-foot height limit; however, a minor portion of the main roof structure would have a maximum height of 29 feet and the passenger elevator structure would have a maximum architectural projection height of 33 feet.

The proposed project would redesign the parking areas to support the golf course and associated uses to provide a total of 165 on-site parking spaces. There would be 141 spaces associated with the club house area, 10 spaces for the maintenance facility, and 14 spaces for the Rio Grande Coffee Shop. Grading would require approximately 86,500 cubic yards of soil cut, and 56,000 cubic yards of soil fill. After compaction and shrinking, the remaining soil (30,500 CY) would be distributed around graded areas to achieve the proposed golf course design. No net import or export of cut or fill would occur.

For a more detailed project description, please refer to the project page located on the City's website at <https://www.cityofgoleta.org/your-city/planning-and-environmental-review/ceqa-review/sandpiper-golf-course>.

PROJECT LOCATION: The 193-acre project site is located at 7925 Hollister Avenue (Assessor's Parcel Number 079-210-059) in Goleta, California. The project site is currently developed with the Sandpiper Golf Club, maintenance yard, and the vacant historic Barnsdall Rio Grande Gas Station.
